

### REMARKS

There remains pending in this application Claims 32-42, of which Claims 32, 34-36, 41 and 42 are independent.

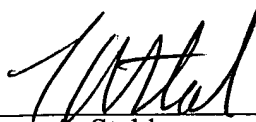

Applicant's representative spoke with the Examiner on April 12, 2005, to discuss the amendments herein. In that telephone conversation Applicant's representative explained the changes to claims 32 and 36 and the Examiner agreed that such changes would be entered by way of a 312 Amendment.

Applicant also noted a formal error in claim 41 where the term "image data" appears twice. Accordingly, claim 41 has been amended to correct that formal error. It is believed this change merely improves the readability of the claim and in no way alters the scope.

Favorable consideration and entry of the above amendments is respectfully sought.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
